Colchester castle

Sarah is an English girl. She lives in Colchester, a town in England. Sarah's mum is German and Sarah has a German cousin. He lives in Cologne and his name is Nico.

It was the summer holidays and Nico was in Colchester. On Saturday afternoon, Sarah and her mum and Nico were in town. "Let's have a nice cup of tea," said Sarah's mum. "Look, there's a cafe." "Oh, mum!" said Sarah. "Tea is boring! Nico, I know something more exciting. We can go to Colchester castle." "Sorry, what's a castle?" said Nico. "Eine Burg," said Sarah's mum. "Come on, Nico," said Sarah. "See you later, mum."

Sarah and Nico went to Colchester castle. "It's very old," said Nico. "Yes, it is," said Sarah. "Come on. Let's go in." Nico thought the castle was great. There were lots of old things in the castle. Then the guide said, "There's an old tunnel under the castle. Who wants to see the tunnel?" "Me!" said Sarah. "And me!" said Nico. Soon they were at the tunnel. "It's very big," said Nico. "Yes, you can stand in it," said the guide. "But it's cold here," said Sarah. "Come on, Nico. Let's go to the cafe now. I want a nice cup of hot tea."
